

Great Designs with Peace of Mind.

A Trusted Manufacturers' Representative Firm Since 1943

Sales Engineering's New England market: Maine, Massachusetts, New Hampshire, Rhode Island, Vermont, and Connecticut (including Fairfield county).

Connectors, IC Sockets, Adapters,
Carriers, Terminals & Test Jacks.
<https://www.advanced.com>

EMI / RFI Filters, Terminal Blocks,
and Plastic molding capabilities.
<https://www.curtisind.com>

Discrete semiconductors in
standard and customized options.
<https://www.diotec.com/en>

Zebra Elastomeric Connectors,
Thermal Pads, and Gap Fillers.
<https://www.fujipoly.com/usa>

Full array of PCB technologies.

Panel Mount, LED, Rear Mount and
Specialty Indicators.
<https://www.solico.com>

Wall Industries, Inc.

DC to DC Converters, AC to DC
Suppliers, Build to Print Capabilities.
<https://www.wallindustries.com>

PCB & Cable connectors, molded
cable assemblies, and heat sinks.
<https://www.assmann-wsw.com>

CW: Switches, Toggles & Rockers.
Oslo: Rockers, Pushbuttons & Keylocks.
www.cwind.com, www.osloswitch.com

Film Capacitors, Metalized, Snubber
and DC Link Capacitors.
<https://www.filmcapacitors.com>

Precision frequency control devices
including oscillators & resonators.
<https://www.hele.com.tw>

Audio Alerts, Microphones, Speakers,
Piezo Benders, Transducers & Indicators.
<https://www.puiaudio.com>

Advanced Display Solutions and
Camera Technologies.
<https://www.via-optronics.com/en>

High Voltage Ceramic Capacitors
500 Vdc-20kVdc.
<https://www.calramic.com>

Heat Sinks, Liquid Cold Plates,
Thermal Assemblies & Machining.
<https://www.d6industries.com>

Switches, Pushbutton, Rockers,
Encoders & Indicator Lights.
<https://www.electro-nc.com>

Molded shaped components in
mil/aero/def & other applications.
<https://www.hellermannntyton.us>

Custom transformers, magnetic
engineering & power transformer design.
<https://www.pactran.com>

High Voltage Diodes, Couplers,
Rectifiers, & Multipliers/Hybrids.
